A.40 B. 35 C.45 D.20

3. What is 18/(division)3?
A.8 B.11 C.6 D. 10

4. Sally is baking brownies for a charity bake sale. On Sunday, she bakes 10 batches of brownies, and each batch contains 10 brownies. On Monday, she accidentally burnt 3 brownies and had to throw them out. She then packed the remaining amount of brownies into little plastic containers, putting 2 brownies into each container. With that being said, how many little plastic containers of brownies does Sally have ready to sell?

Answer:
_____
